# Rain and Rainbows

Dedicated to all healers and helpers.

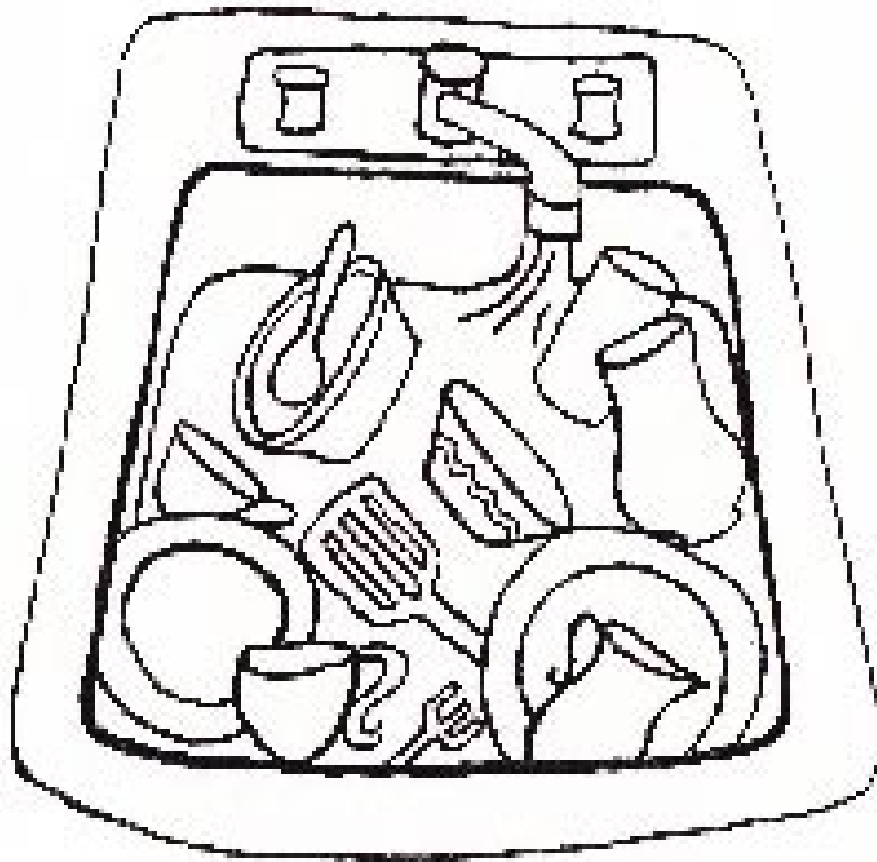

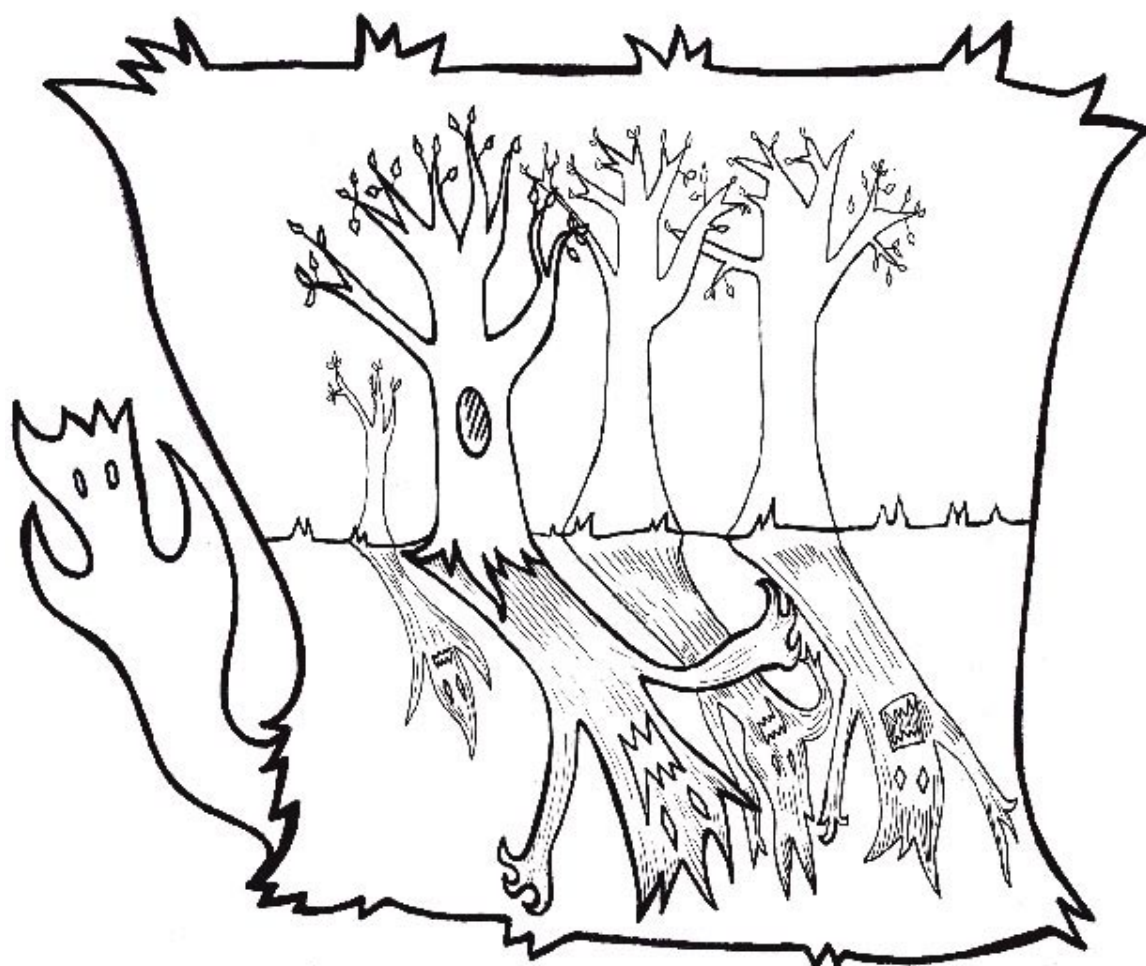

Life has...

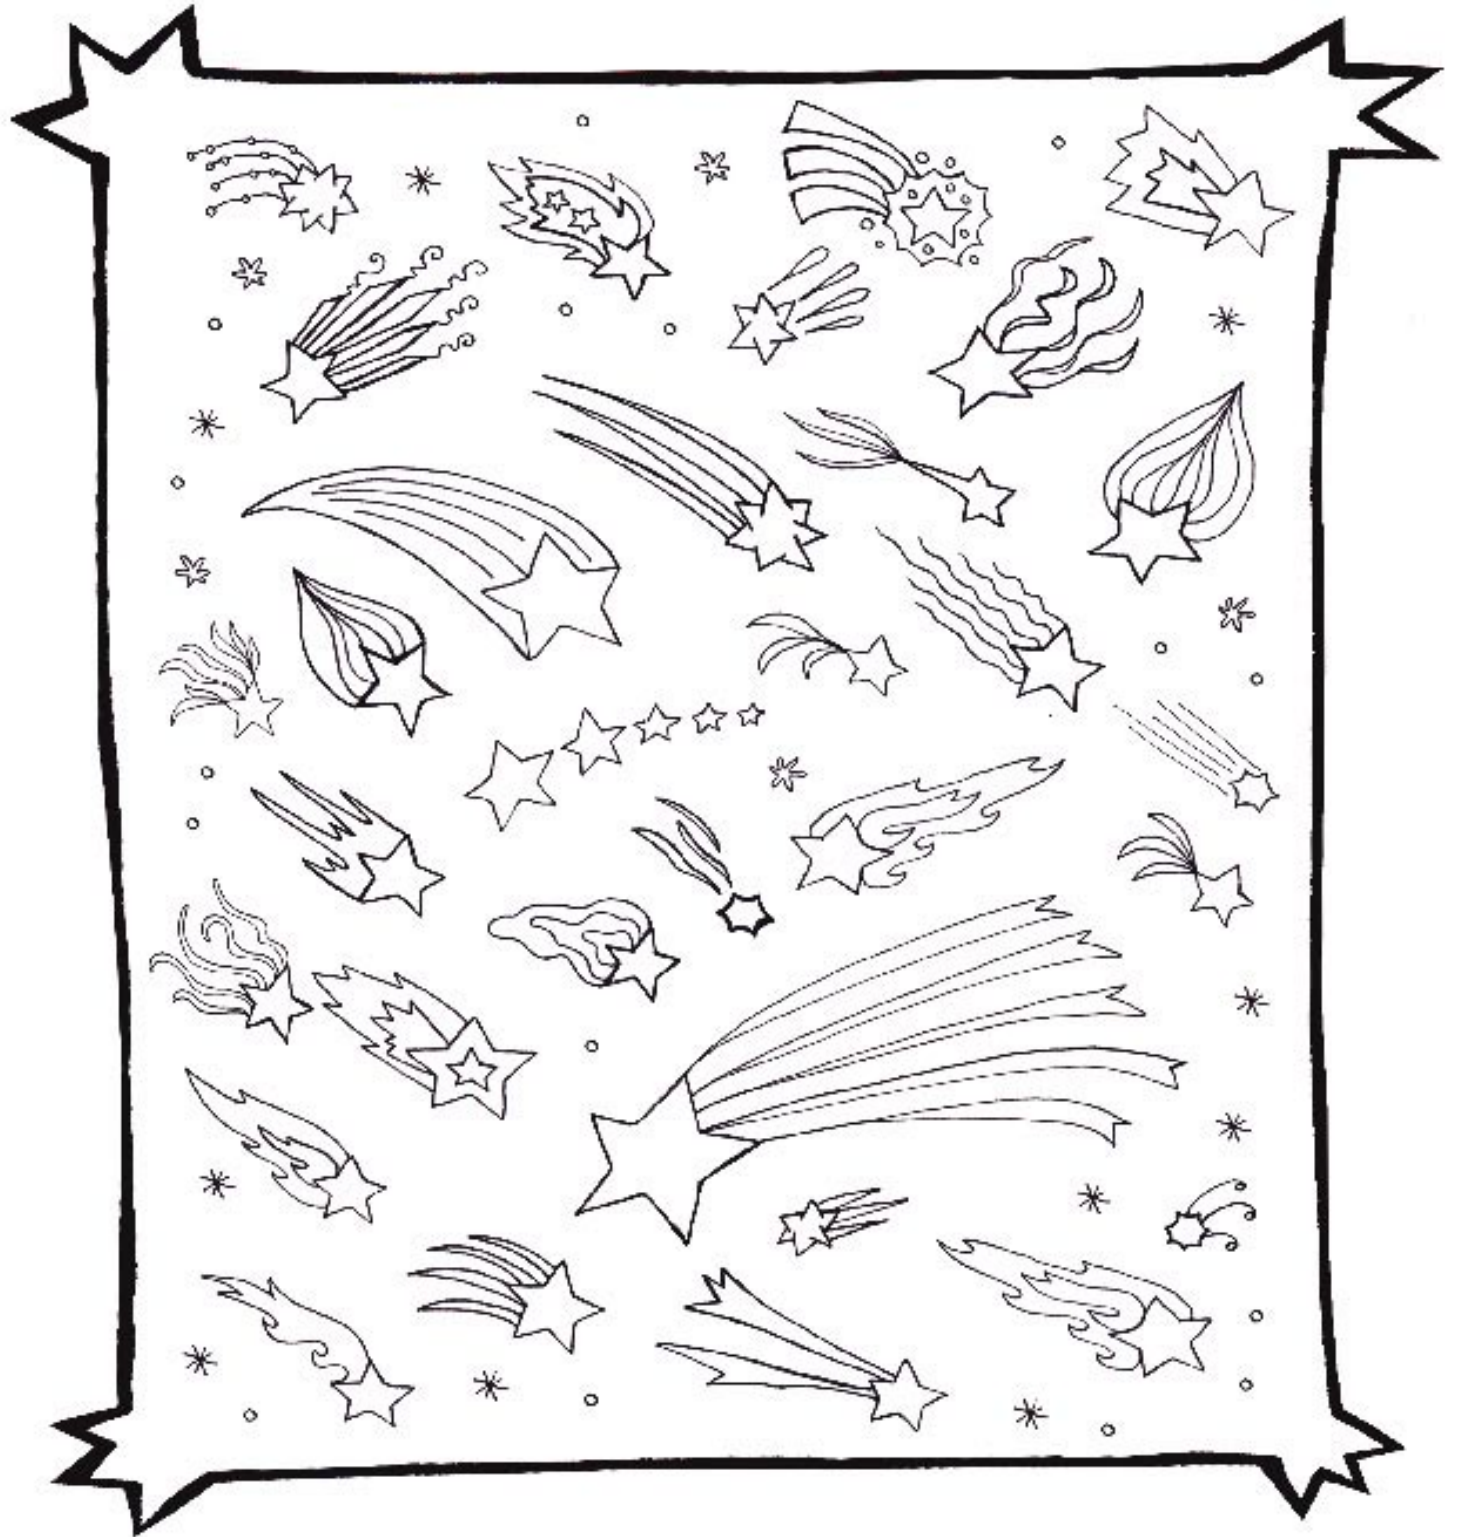

dirty dishes

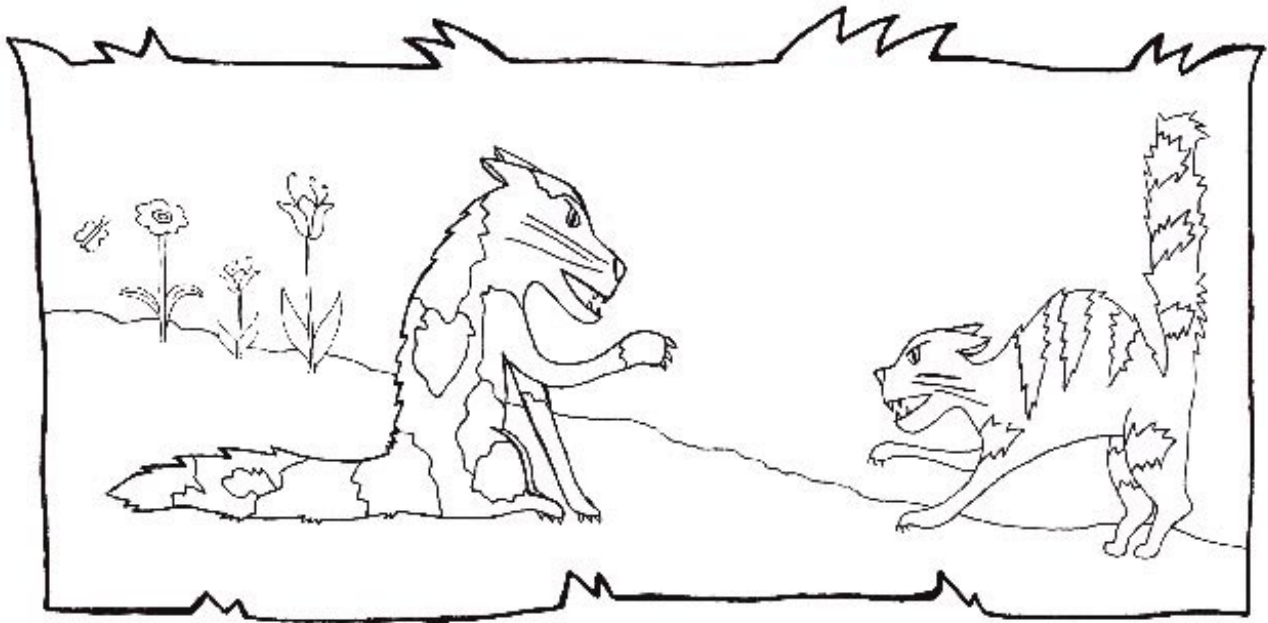

and morning dew drops,

dark, spooky shadows

and shimmering shooting stars,

cat fights

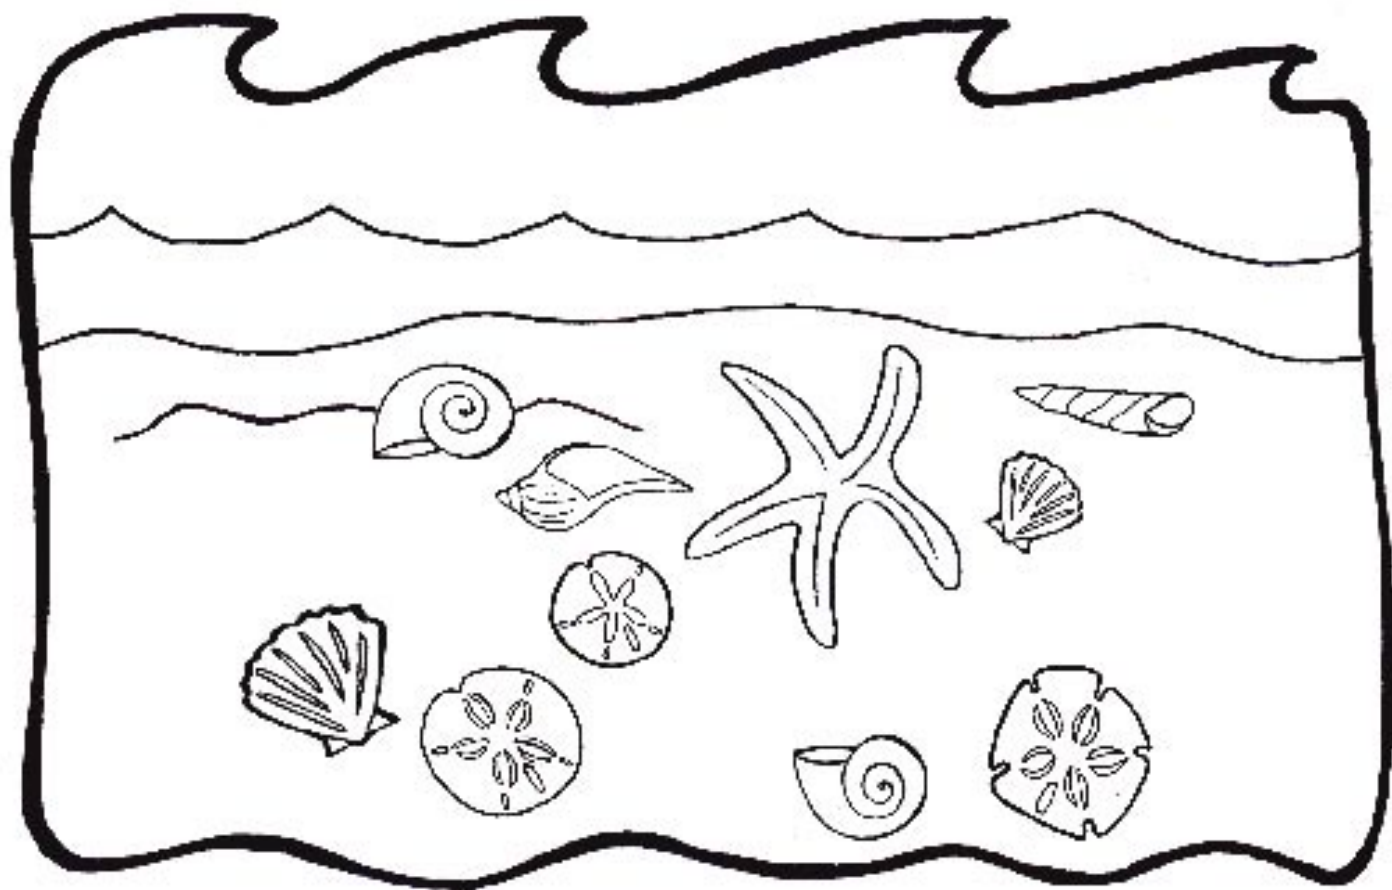

and friendly celebrations,

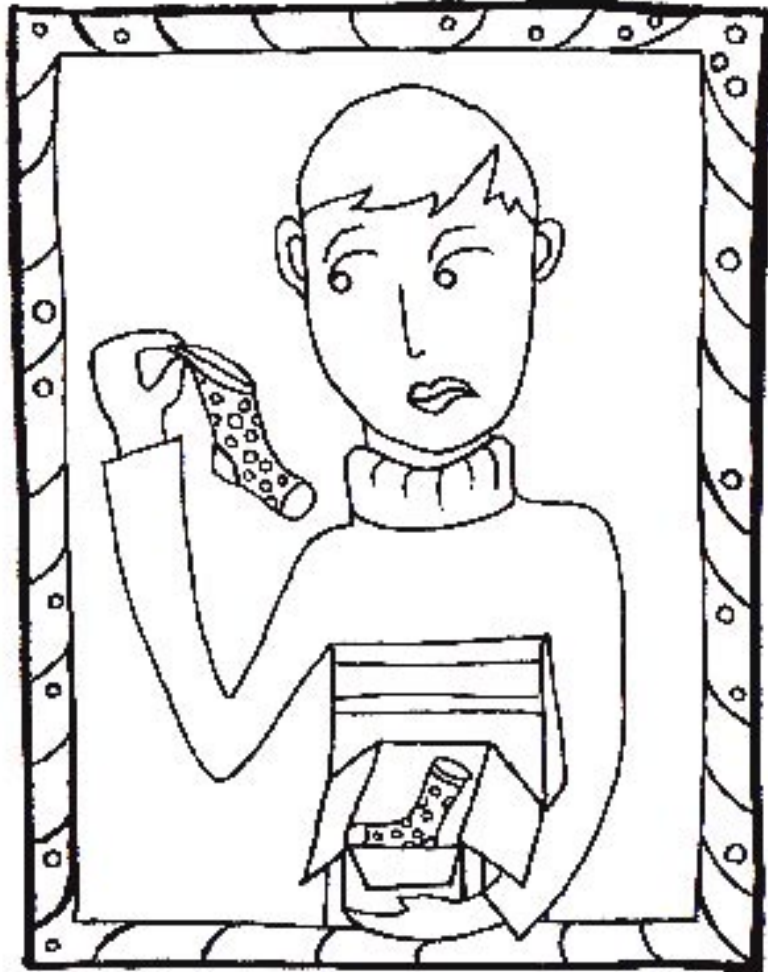

tears

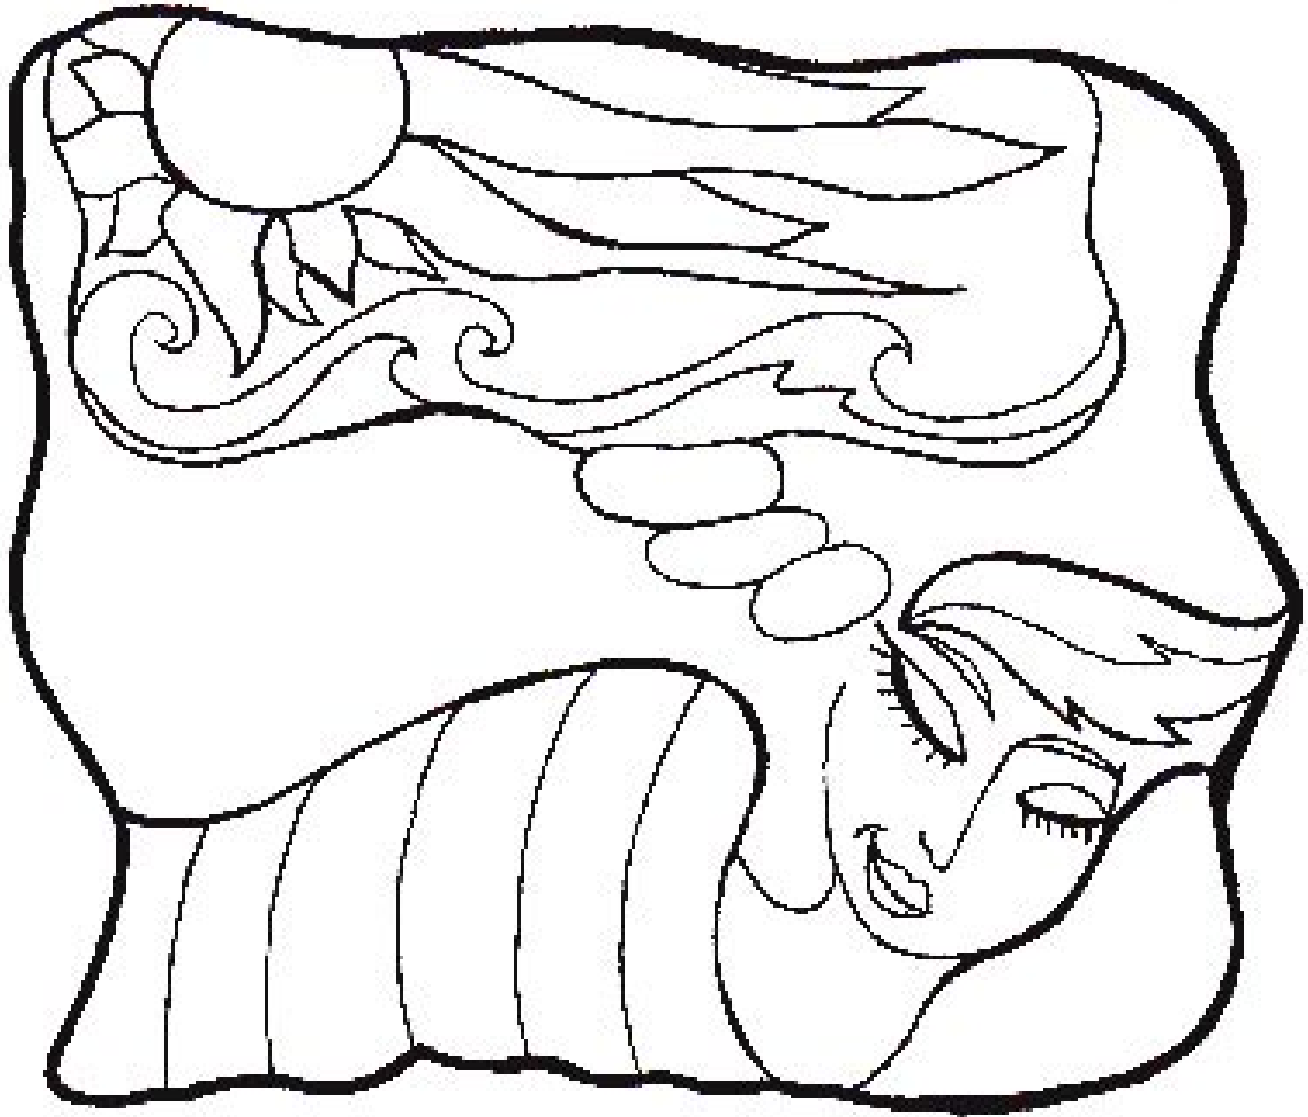

yet also treasures,

disappointments

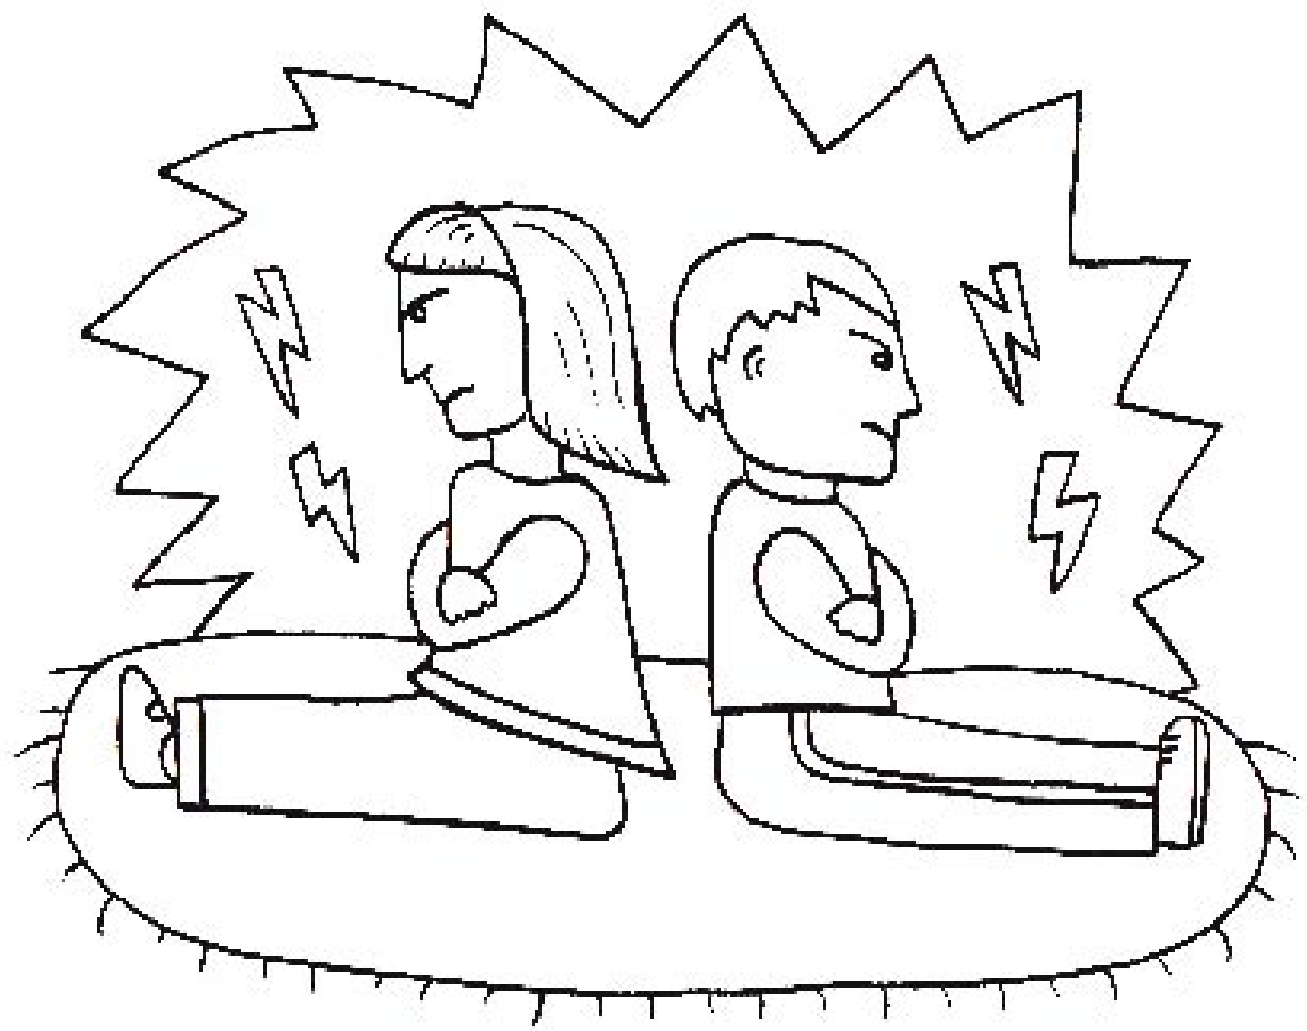

and dreams,

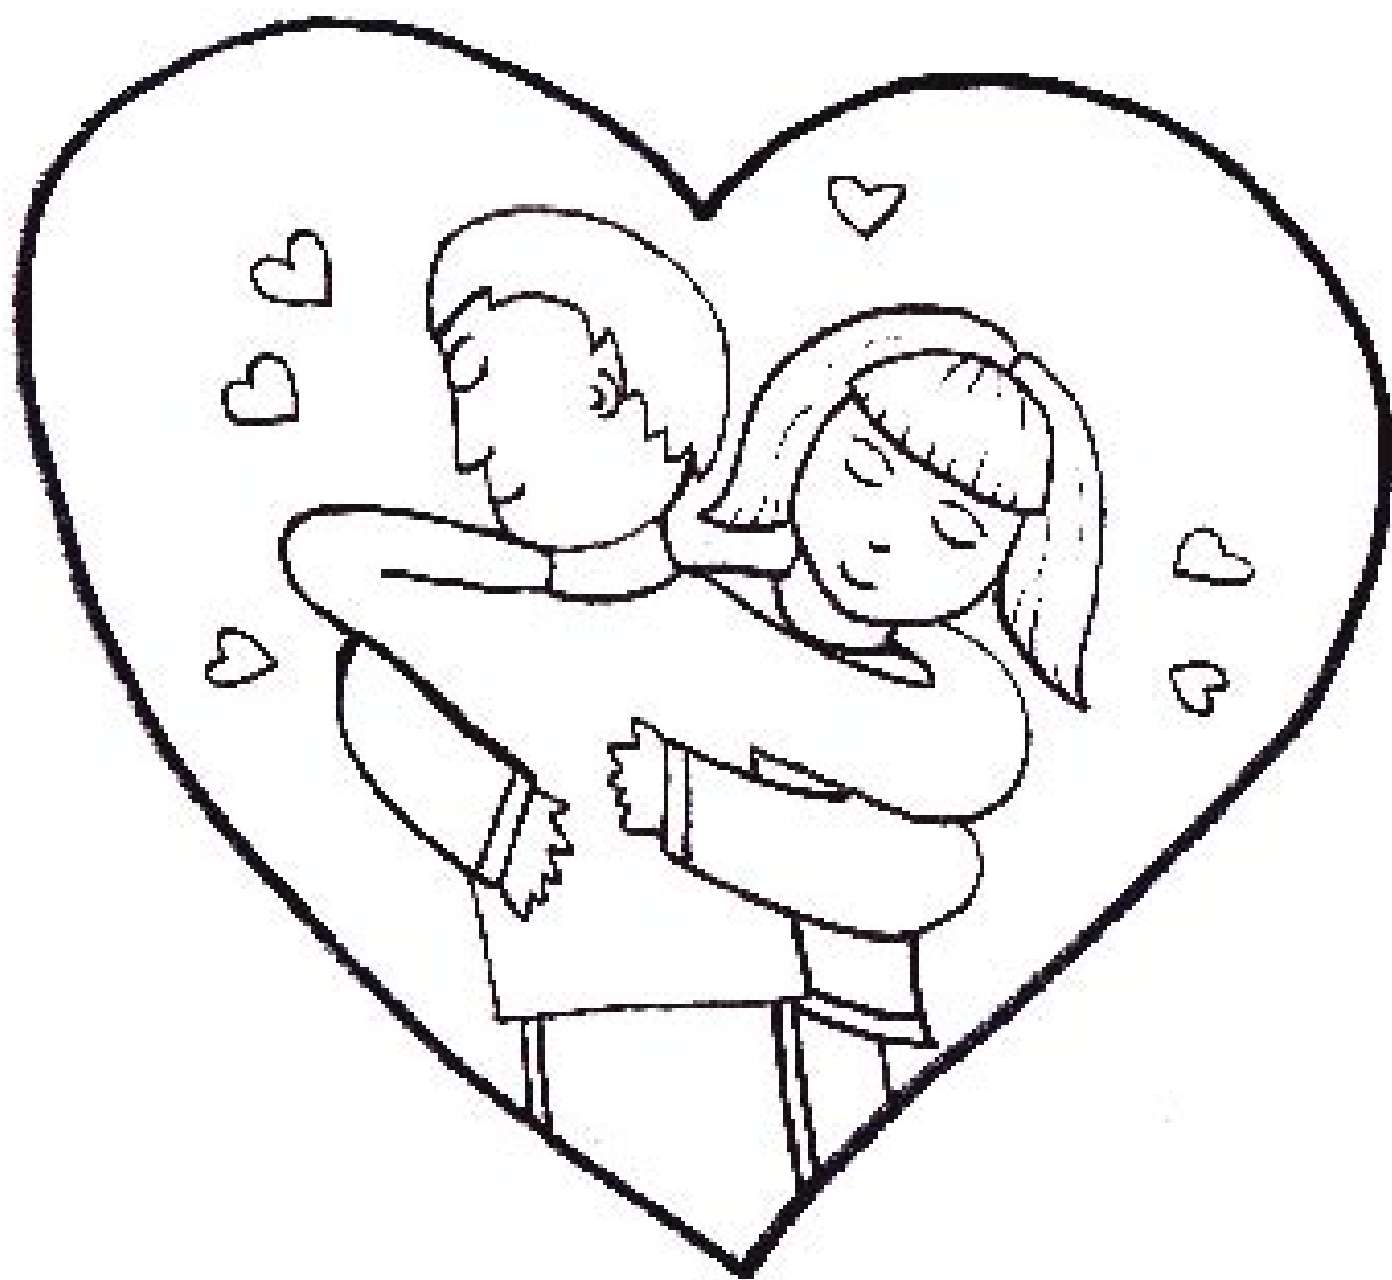

empty cookie jars

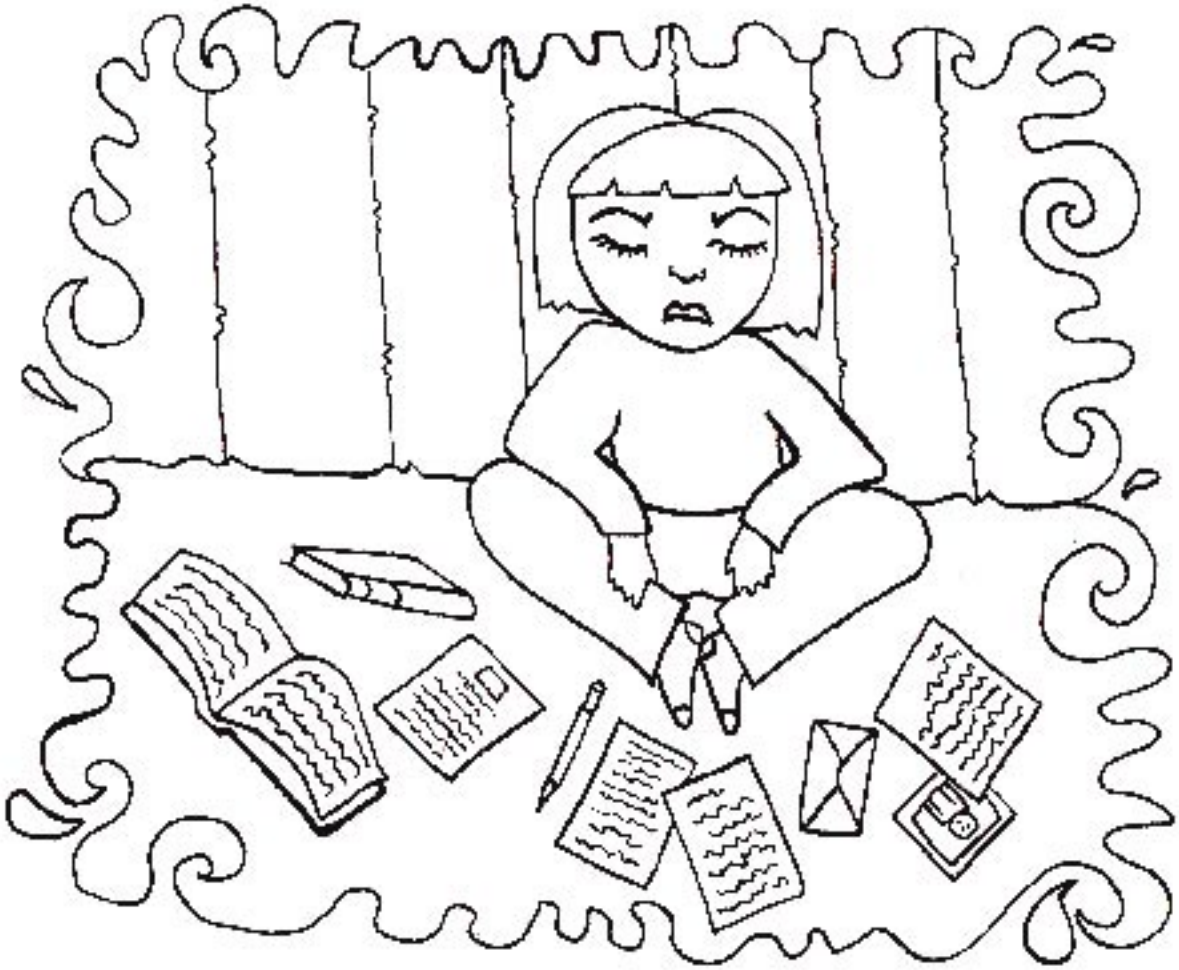

and freshly, baked carrot cake,

hurt feelings

and hugs,

worry

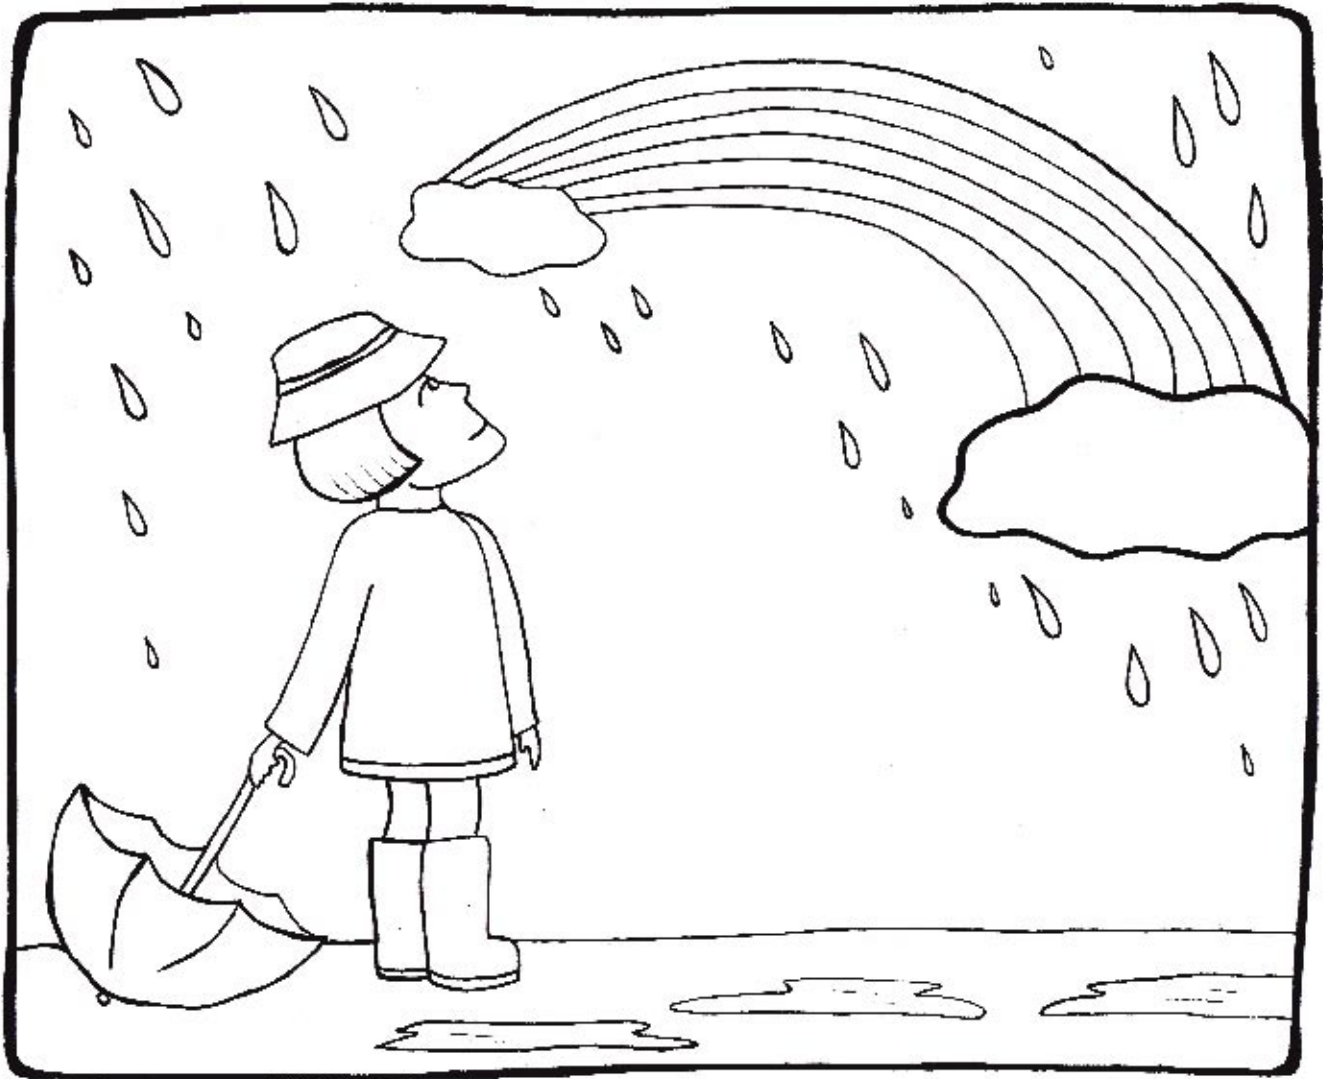

yet also wonder,

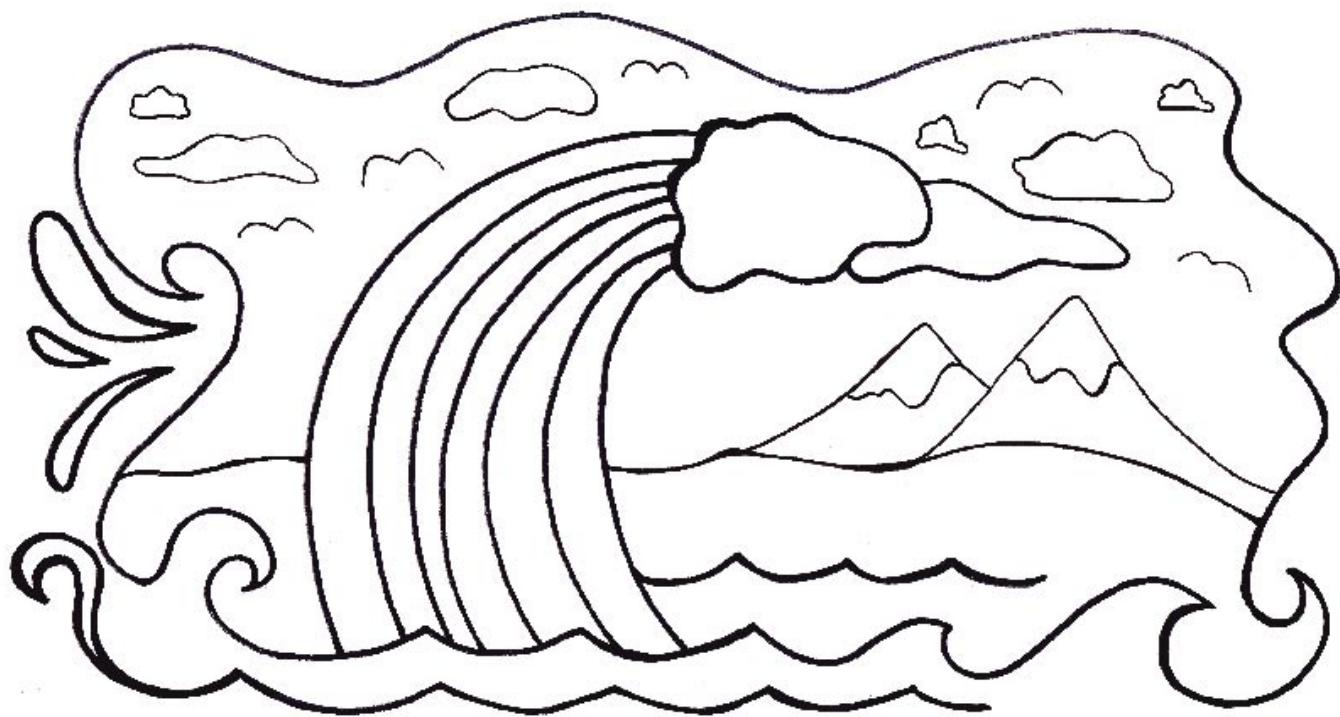

rain

and rainbows.

The good news is that the rainbows have the last word.
